ABOUT ME

Aspiring Full-Stack Developer with hands-on experience in building real-world applications using the MERN stack. Passionate about creating seamless user experiences and developing efficient, scalable solutions. Eager to contribute to dynamic development teams and grow as a software engineer in a collaborative environment.

EDUCATION

APS COLLEGE OF ENGINEERING

BE In Information Science

2021 – 2025

cgpa :- 7.6

VISHWA CHETHANA PU

COLLEGE

PCMC's

2019 – 2021

Percentage :- 79.6

ST THOMAS HIGH SCHOOL

Class 10

2018 – 2019

Percentage :- 79.2

SKILL

- HTML, CSS, JavaScript
- React, Tailwind CSS
- Node.js, Express.js
- Python
- MongoDB and SQL
- Git
- AWS (basics)
- Figma

PROJECTS

Real Time Chat Application

- Developed a real-time chat app using MERN stack, Socket.io, TailwindCSS, and Daisy UI.
- Implemented JWT-based authentication & authorization, real-time messaging, and online user status.
- Managed global state with Zustand and ensured robust error handling on both server and client sides.

Workout Application

- Built a workout app with React, Express, MongoDB, featuring JWT-based authentication.
- Implemented CRUD operations for workout logs with user-specific data.
- Ensured seamless user experience with error handling on both server and client sides.

INTERNSHIPS

EY Global Services - Data Analytic Trainee DEC 2023 - JAN 2024

- Gained foundational hands-on experience in EDA, ETL, data cleaning, and preprocessing for data-driven insights.
- Built basic ML models for diabetes prediction using Decision Tree, Regression, and KNN algorithms.
- Developed foundational skills in data handling and machine learning workflows.

Take It Smart - Full-Stack Web developer OCT 2022 - OCT 2022

- Developed an Insurance Management System using Python and Django to streamline insurance operations.
- Implemented features for agents and policyholders to access policy details, register policies, and manage commissions.
- Designed a structured system for branch managers to oversee agents and customers, improving workflow efficiency.
